## 7. Criteria for admission

**Internal graduates and undergraduates:** graduates or students enrolled for the academic year 2023/24 who expect to graduate before the autumn session for the academic year 2023/24 (i.e. before 31 December 2024) in the Bachelor's degree courses in *Comunicazione d'impresa e relazioni pubbliche* (or previous degree courses offered by the Faculty) or *Corporate Communication and Public Relations* who apply for admission in the first and second sessions will be placed (without taking any tests) in a ranking list ordered according to the average mark obtained (rounded to two decimal places), considering:

- for undergraduates, possession of at least 120 CFUs reported in your official transcript of records<sup>1</sup> as of 17 February 2024, and an average mark no lower than 25/30;
- for graduates, an average mark prior to graduation (not the degree grade expressed as a mark out of 30) no lower than 25/30.

Internal candidates who meet the above requirements must also meet the language requirement, i.e. proficiency in English to at least level B2 (see the paragraph *Language requirement: English language proficiency to at least level B2*), with the exception of internal candidates on the degree course in Corporate Communication and Public Relations.

A maximum total of 50 candidates will be admitted to the ranking list<sup>2</sup> in the first two sessions. Should the quota reserved for internal graduates and undergraduates be reached, internal candidates who have been excluded will be

---

<sup>1</sup> CFUs from additional learning requirements (obblighi formativi aggiuntivi, OFA), ongoing test, partial exams and/or modules, even if registered.

<sup>2</sup> In the event of a tie, the final grade at the moment of the degree application will be taken into account for graduate students, whereas the average of grades rounded to two decimal places will be taken into consideration for undergraduates. These grades should be obtained by the deadline set for the submission of applications, for each session. In the event of a further tie, the date of payment of the invoice for applications will be considered.

able to take the same admissions test as external students (if necessary, even from the first session), and will follow the same admissions and selection criteria (without any differentiation between internal and external students).

Internal students who are unable to meet the above merit requirements (i.e. with an average mark lower than 25/30 as of 17 February 2024) will take the same admissions test as external students and, if they pass, will be included in the same ranking list as external students (see below).

Internal students on international mobility programmes in the first semester who intend to participate in the test in the first session must report this when presenting their application for admission, in order to be able to take into account (for the purposes of verifying the requirement of having acquired 120 CFUs) the CFUs gained abroad and awaiting approval.

In the sessions following the second session (subject to availability of places) internal students will take the same test as external students, and as a result a single ranking list will be drawn up based on the outcome of the test.

**External graduates and undergraduates:** admission for external graduates will be determined on the basis of the results of the admission test, supplemented by the points acquired through a merit assessment based on the Bachelor's degree grade. Merit points will be awarded in accordance with the following table:

Bachelor's degree grade

Up to 88/110	= 0 points
from 89 to 98/110	= 1 point
from 99 to 110/110	= 2 points
110/110 cum laude	= 3 points

External undergraduates may take the test provided they have registered:

- for the first session at least 120 CFUs as of 26 February 2024
- for the second session at least 120 CFUs as of 17 April 2024
- for the third session at least 130 CFUs as of 11 June 2024

Admission will be determined on the basis of the results of the test, supplemented by the points awarded on the basis of the average marks for examinations registered (rounded to two decimal places) as of the dates given above. Merit points will be awarded in accordance with the following table:

Average grade (rounded to two decimal places)

Up to and including 25.99/30	= 0 points
from 26/30 to 27.99/30 inclusive	= 1 point
from 28/30 to 29.99/30 inclusive	= 2 points
30/30	= 3 points

Candidates will be admitted in the ranking list up to the number of places assigned for each session.

For the purposes of drawing up the ranking list, it is compulsory to submit:

- for undergraduates, a signed certificate/self-certification with the examinations taken (issued by their own university) **expressly specifying the average grade of the examinations passed**
- for graduates, a signed certificate/self-certification with degree grade and exams passed (issued by their own university)

by the following dates:

- by 26 February 2024 for the first session
- by 17 April 2024 for the second session
- by 11 June 2024 for the third session

If it is not possible to provide a certificate, it will be possible to fill in a declaration in lieu of certification using the [online procedure](#).

Any places not filled by the quota of internal candidates may be allocated to the quota of external candidates.

**Foreign graduates:** The candidate's individual knowledge and skills will be assessed by means of a written paper (of no more than 1400 words) based on a case study assigned after the verification of the curricular requirements. The case study assesses the level of knowledge of basic communication and marketing concepts. Foreign applicants who are not native speakers of English are required to present international language certification attesting to their level of English language proficiency to at least level B2 before taking the admissions test; alternatively, they must pass the Assessment Test with at least level B2.

Eligible foreign students will be assigned places outside the ranking list available for external applicants in the first session, or places in the single ranking list in subsequent sessions.

## 8. Confirmation of enrolment

Enrolment will be confirmed upon payment of the first instalment.

Students admitted in the first session must complete enrolment by **15 April 2024**.

Students admitted in the second session must complete enrolment by **30 May 2024**.

Students admitted in the third session must complete enrolment by **29 July 2024**.

Depending on the number of admissions and the number of remaining places, the deadlines for enrolments may be shortened to allow the scrolling of the ranking list.

For internal students enrolled in the third year of their degree course in the academic year 2023/24, applying for the first session for enrolment in the Master's Degree Courses for the academic year 2024/25, the deadline for payment of the third instalment for the academic year 2023/24 is deferred to 20 April 2024 (instead of 31 March).

For students not yet in possession of a degree certificate, enrolment is to be considered "conditional" on obtaining the degree. Students with a conditional offer are obliged to communicate, through the [online services](#), the date and grade of the degree obtained as soon as they are announced, and to attach a copy of the degree certificate (or self-certification) as soon as it is available, and in any case no later than 31 December 2024.

Students unable to complete enrolment owing to failure to obtain a degree qualification before 31 December 2024 will have their enrolment officially annulled. **Under no circumstances will the first instalment or the enrolment fee for the admissions test be refunded.**
